The authors regret < that in the published version of the article, an error appears in the Abstract regarding the inclusion criteria for the Clinical Frailty Scale (CFS). The sentence: “All patients aged  $\geq 65$  years consecutively admitted to the AGU in an 18-month period were included in the study if scoring  $< 4$  or  $\geq 8$  at the Clinical Frailty Scale.”

**Should read:**

“All patients aged  $\geq 65$  years consecutively admitted to the AGU in an 18-month period were included in the study if scoring  $\geq 4$  and  $< 8$  at the Clinical Frailty Scale.”>.

The authors would like to apologise for any inconvenience caused.
